COOK

SELECTMAN

I have dedicated much of my life to making Simsbury a great community to live and raise a family. That is why I am running for Selectman.

As Selectman I will:

- ★ Work to ease the residential tax burden
- ★ Support and encourage local businesses and business development
- ★ Protect the character of our town
- ★ Enhance services for seniors
- ★ Promote transparent and responsible government

*Your VOTE counts on November 5th.
We can make it better together.*
